CONTENTS

Figure 1.1	Site Location
Figure 2.1	Corridor
Figure 2.2	Route Options
Figure 2.3	Alignment Options and Preferred Alignment
Figure 2.4	Alignment Refinement
Figure 3.1	Site Layout
Figure 3.2	Typical Access Track Sections
Figure 3.3	Typical Bellmouth Layout
Figure 3.4	Typical Watercourse Crossing Sections
Figure 3.5	Helicopter Flight Paths
Figure 5.1	Cumulative Developments
Figure 6.1	Zone of Theoretical Visibility
Figure 6.2	NatureScot National Landscape Character Assessment
Figure 6.3	LLTNP Landscape Character Types and Landscape Designations
Figure 6.4	Landscape Units and and Landscape Character Types
Figure 6.5	Visual Receptors
Figure 6.6	Visual Appraisal Photographs
Figure 6.7a-f	Viewpoint A: Sealladh Buidhe Photomontages
Figure 6.8a-f	Viewpoint C: Dun Daraich Fort, Glen Finart Photomontages
Figure 6.9a-d	Viewpoint E: Bienn Ruadh Photomontages
Figure 6.10a-f	Viewpoint H: Benmore Gardens Photomontages
Figure 6.11a-d	Viewpoint J: A815, Strath Eachaig Photomontages
Figure 9.1	Heritage Assets
Figure 9.2	Heritage Assets and ZTV
Figure 9.3	Viewpoint C2 Dun Daraich Fort Glen Finart
Figure 10.1	Hydrology Overview
Figure 10.2	Bedrock Geology
Figure 10.3	Superficial Geology
Figure 10.4	Peat
Figure 10.5	Private Water Supplies
Figure 10.6	Groundwater Dependent Terrestrial Ecosystems
Figure 11.1	Overhead Line Alignment, Baseline Monitoring and NSR Locations
Figure 11.2	Overhead Line Alignment, NSRs and Construction Activity Locations
Figure 11.3	Moderate Significance of Effect: Forestry and Tree Clearance
Figure 11.4	Moderate Significance of Effect: Construction Vibration

Figure 11.5 Cumulative Construction Noise Effects at NSRs

Figure 13.1 Links and Traffic Count Locations
