

Environmental Impact Assessment (EIA) Report

LT383 Alyth to Tealing Overhead Line (OHL) 400kV Upgrade

November 2024

VOLUME 4: APPENDIX 5.1 – EIA TEAM

Table A5.1- 1 EIA Team

Role	Person	Expertise	Academic and Professional Qualifications
EIA Project Director (AECOM)	Craig McMillan	21 years' experience in EIA and Project Management.	MSc Environmental Science BSc Chemistry Chartered Environmentalist (CEnv) Member of the Institution of Environmental Sciences (IES)
EIA Project Manager (AECOM)	Harriet Duncan	5 years' experience in EIA and project management.	MSc Sustainability and Environmental Studies BA (Hons) English Literature, Journalism & Creative Writing Member of the Institution of Environmental Sciences (IES)
Ecology & Ornithology Lead (AECOM)	Tony Marshall	14 years' ecological consulting experience including large-scale EIA infrastructure developments.	BSc (Hons) Biological Sciences (Ecology) Chartered Ecologist (CEcol) Full Member of the Chartered Institute of Ecology and Environmental Management (MCIEEM)
Forestry Lead (AECOM)	Euan Brierley	35 years' environmental land management experience, including 9 years' consulting experience in forestry and arboriculture, providing EIA for large-scale developments.	PhD Soil Science BSc Ecological Science with Forestry honours Chartered Member of the Institute of Chartered Foresters
Cultural Heritage Lead (AECOM)	Dr Jonathan Shipley	18 years' experience working in field archaeology and cultural heritage, including 15 years of consulting experience. Successfully lead on a large number of EIA projects covering	2010 PhD Archaeology 2005 MLitt Archaeology 2003 BA (Hons) Archaeology

Role	Person	Expertise	Academic and Professional Qualifications
		<p>infrastructure, renewable and residential developments.</p> <p>Extensive experience throughout the UK as well as Europe, the Middle East and Africa.</p> <p>Successfully developed outreach and public engagement projects.</p>	Associate Member of Chartered Institute for Archaeologists
Traffic and Transport Lead (AECOM)	David Dewar	32 years' experience in transport assessment and the environmental assessment of traffic and movement.	<p>BEng (Hons) Civil Engineering</p> <p>MSc Transport Planning & Engineering</p> <p>Member of Chartered Institution of Highways and Transportation (MCIHT)</p> <p>Member of Chartered Institute of Logistics and Transport (CIMLT)</p>
Hydrology and Hydrogeology Lead (AECOM)	Neil Mackenzie	<p>33 years' experience, 19 years in consultancy.</p> <p>Many large scale EIAs for major infrastructure (road, rail and airport projects), renewables and quarrying projects.</p>	<p>BSc Joint Hons Geography and Geology</p> <p>MSc Agricultural Engineering</p> <p>Chartered Geologist and Fellow of CIWEM</p>
Geology Lead (AECOM)	David Raeside	<p>27 years' experience in consultancy (many with peatlands).</p> <p>Leads a team delivering Ground Engineering solutions for Environment, Water and Energy projects.</p>	BEng (Hons) Civil Engineering with Geology
Noise and Vibration Lead (Wood)	Eric Donnelly	26 years' experience in planning, EIA and project management.	<p>BEng Hons Manufacturing Engineering</p> <p>Corporate Member Institute of Acoustics (IOA)</p>
Cumulative Effects Lead (AECOM)	Zoe McClelland	<p>18 years' environmental consulting experience.</p> <p>16 years' infrastructure EIA experience.</p>	<p>MSc Urban and Regional</p> <p>MA (Hons) Geography</p> <p>Chartered Member Royal Town Planning Institute</p>
