

Lochay 132/11kV Transformer Replacement Virtual Consultation Event

SSEN Transmission invites you to share your views with us

Scottish and Southern Electricity Networks (SSEN) are pleased to be holding a virtual consultation exhibition to provide an update on our proposed designs to the local community and interested parties following the events held in May and December 2019 on the Lochay 132/11kV transformer replacement project ahead of submitting a planning application to Stirling Council.

To find out how you can join the interactive virtual consultation visit the project website:

www.ssen-transmission.co.uk/projects/lochay-13211kv-transformer-replacement

**If you have any questions, please do not hesitate to contact the
Community Liaison Manager:**

Louise Anderson
Community Liaison Manager,
Transmission, 200 Dunkeld Road,
Perth, PH1 3AQ
(Return address)

Email: louise.anderson@sse.com

Phone: 07384 454 233

**The team will be available for
live chat sessions on:**

17 September 2020

4.00pm – 7.00pm

How can I get involved?

The virtual consultation exhibition has been designed to be fully interactive, allowing for presentation of key project information and plans, as well as providing an opportunity to ask questions about the project.

Visitors will be able to engage directly with the project team, via a live text chat function, where they can ask any questions they might have about the project and share their feedback on the current proposals.
