

Temporary Requirements Layout Plan

NOTES

1. The Planning Red Line Boundary includes the proposed platform together with all other potential site requirements, including site compounds, drainage, access, parking, laydown and storage areas and landscaping proposals. Many of these requirements will be temporary and will be permanently removed upon completion. The temporary requirements are indicative at this stage and are subject to change as the construction phase is developed.

Proposed Fanellan 400kV Substation and Converter

 Indicative Planning Red Line Boundary

Temporary OHL Diversions

 Beaulie Denny Line Temporary Diversion

Temporary Stockpiles and Compound Areas

 Indicative Temporary Material Stockpile Area

 Indicative Temporary Compound Area
