

Plate 7: General view of BH04 post-excitation, looking south

Plate 8: General view of BH05 post-excitation, looking north

Plate 9: General view of BH06 post-excitation, looking north

Plate 10: General view of BH07 post-excitation, looking south

Plate 11: Detailed view of BH07 interior post-excavation, looking south

Plate 12: General view of BH08 post-excavation, looking East

Plate 13: General view of BH09 post-excitation, looking west

Plate 14: General view of BH10 post-excitation, looking west

Plate 15: General view of BH11 post-excitation, looking northeast

Plate 16: General view of BH12 post-excitation, looking northeast

Plate 17: General view of BH14 post-excitation, looking southwest

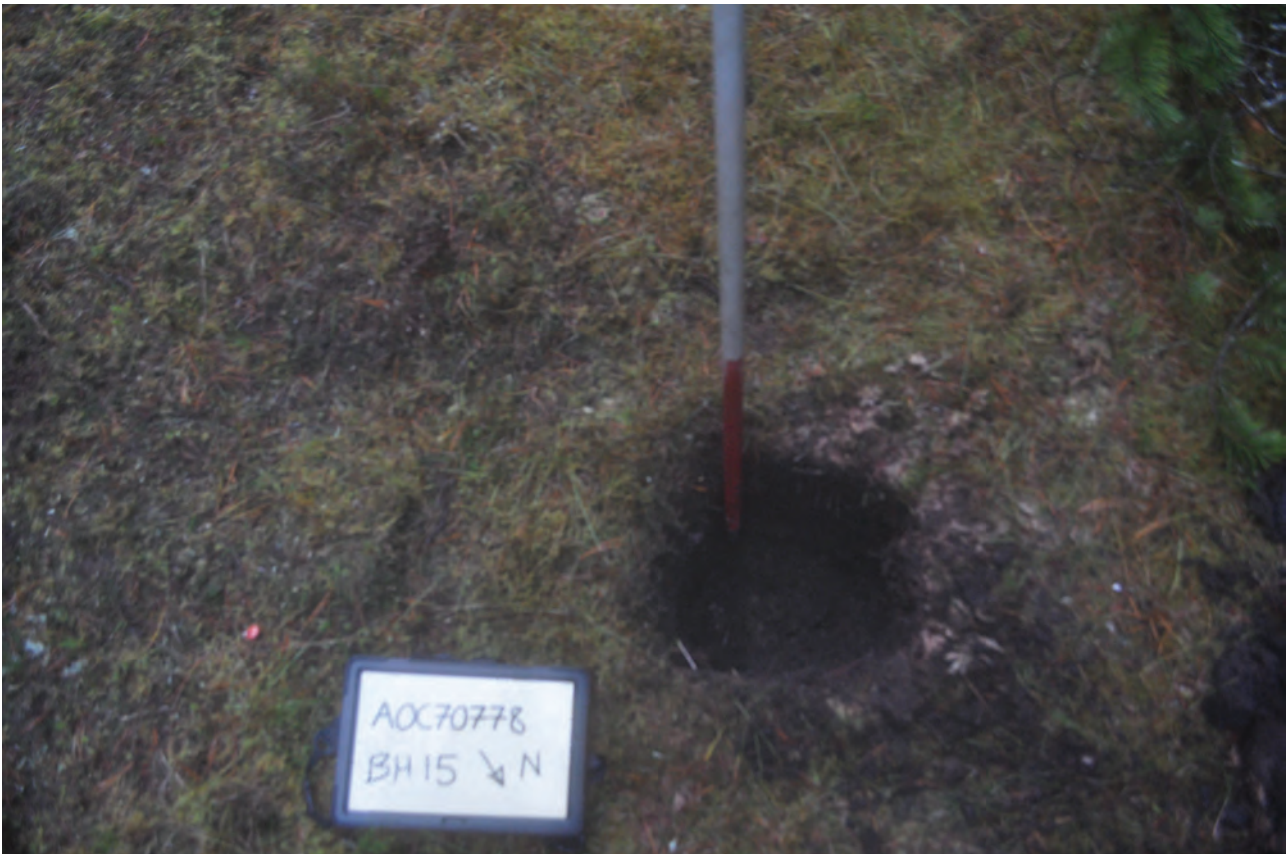

Plate 18: General view of BH15 post-excitation, looking southwest

Plate 19: General view of BH16 post-excitation, looking northeast

Plate 20: General view of BH17 post-excitation, looking northwest

Plate 21: General view of BH18 post-excitation, looking north

Plate 22: General view of BH19 post-excitation, looking north

Plate 23: General view of TP01 post-excitation, looking East

Plate 24: General view of TP02 post-excitation, looking East

Plate 25: General view of TP03 post-excitation, looking East

Plate 26: General view of TP04 post-excitation, looking East

Plate 27: North facing section of TP04, looking south

Plate 28: General view of TP05 post-excitation, looking SSE

Plate 29: General view of TP06 post-excitation, looking northeast

Plate 30: General view of TP07 post-excitation, looking northeast

Plate 31: General view of TP08 mid-excavation, looking northeast

Plate 32: General view of TP09 post-excavation, looking south

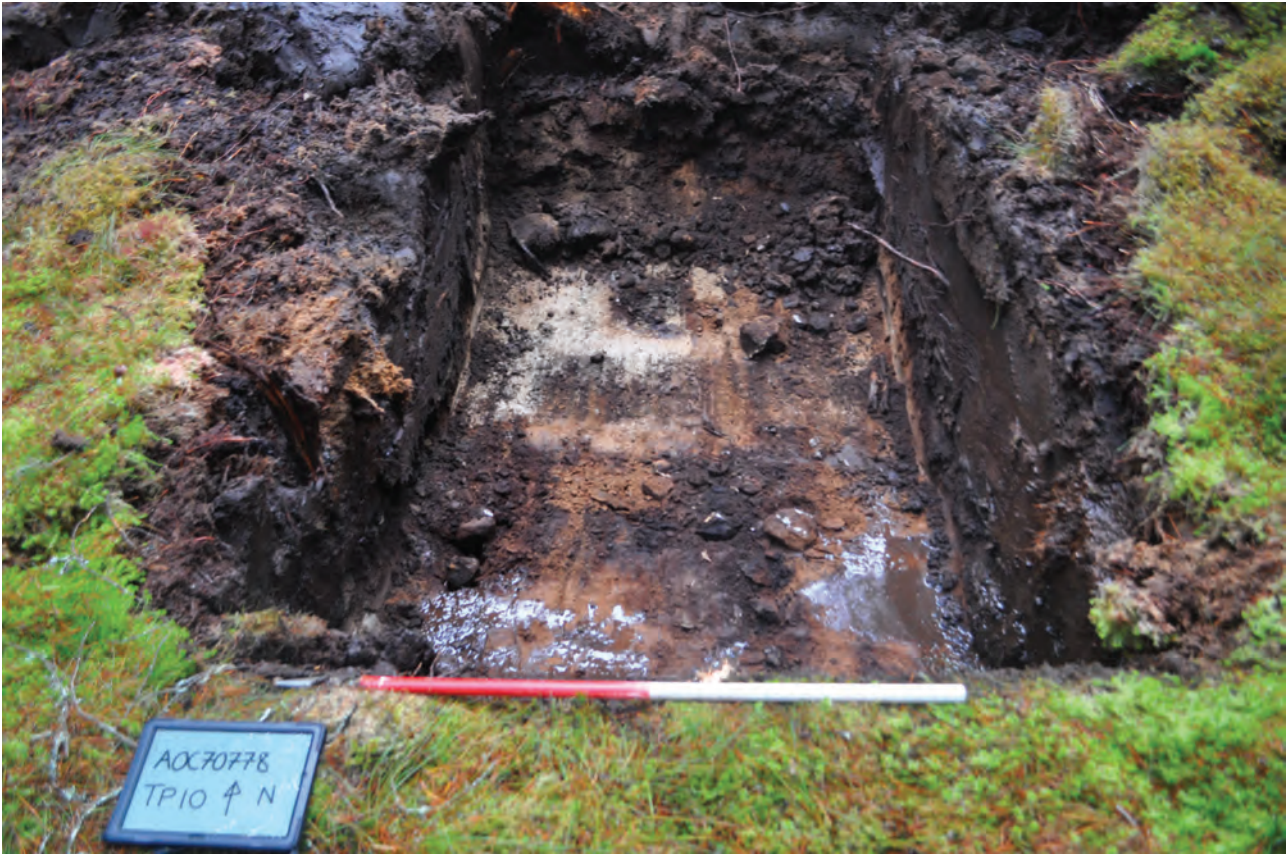

Plate 33: General view of TP10 post-excitation, looking north

Plate 34: General view of TP11 post-excitation, looking south

Plate 35: General view of TP12 post-excitation, looking south

Plate 36: General view of TP13 post-excitation, looking south

Plate 37: General view of TP14 post-excitation, looking East

Plate 38: General view of TP15 post-excitation, looking southeast

Plate 39: General view of TP16 post-excitation, looking northwest

Plate 40: General view of TP17 post-excitation, looking northeast

Plate 41: General view of TP17 soakaway post-excitation, looking northeast

Plate 42: General view of TP18 post-excitation, looking East

Plate 43: General view of TP19 post-excitation, looking northeast

Plate 44: General view of TP20 post-excitation, looking northeast

Plate 45: General view of TP21 post-excitation, looking southwest

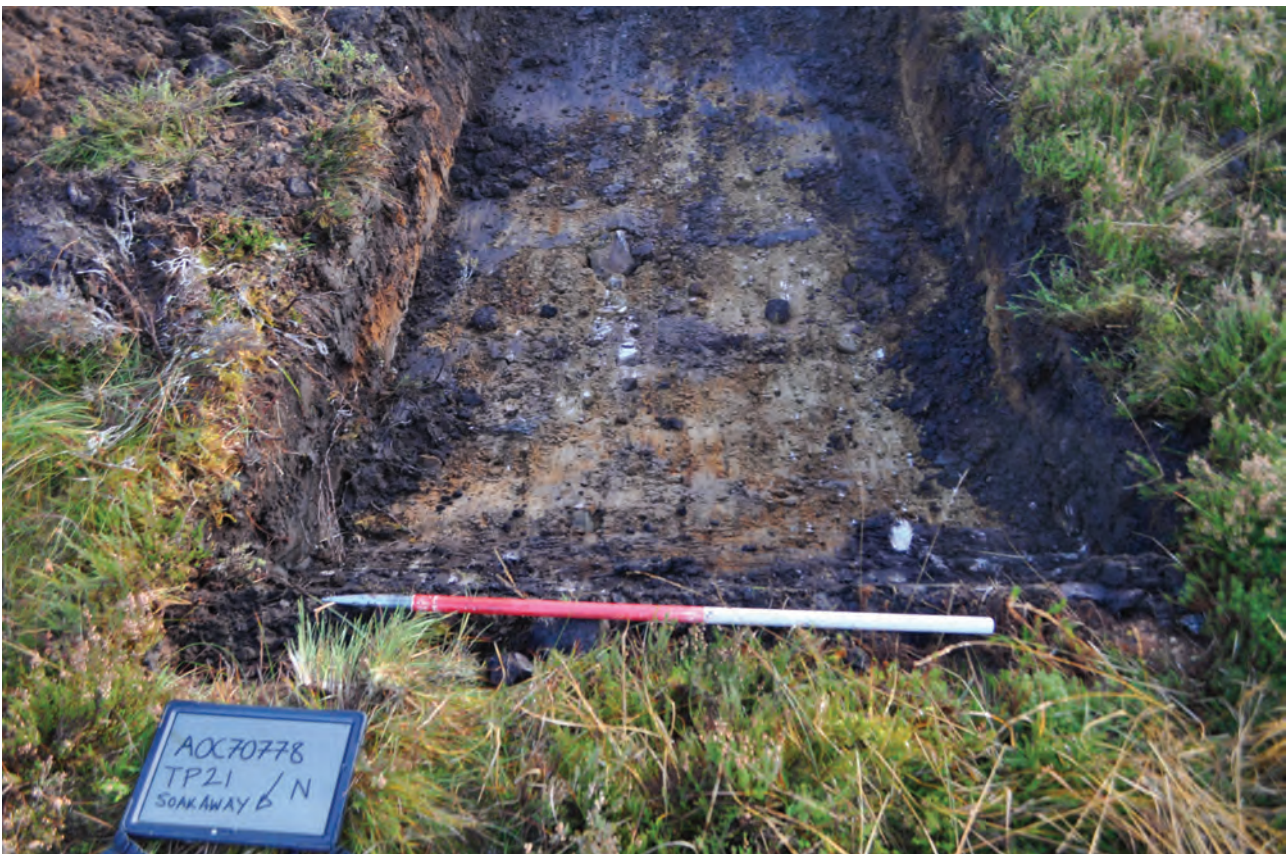

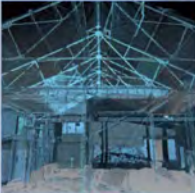

Plate 46: General view of TP21 soakaway post-excitation, looking southeast

Plate 47: General view of TP21 soakaway during test, looking southeast
